travel

i love to travel, and am willing to do so for your wedding (ESPECIALLY if it's going to get me a stamp in my passport!) there is no travel fee for weddings taking place within 2 hours drive of 12206. outside of 2 hours, travel will be charged at the IRS mileage rate for that year for 1 way of the round trip. (example: a wedding in providence, RI would be 2hrs and 15min from 12206, or 165 miles. therefore, the travel fee would be approximately \$83. {2010 IRS mileage rate-\$.50 x 165 = \$83})

travel requiring a plane ticket or overnight stay is billed at cost. i prefer to book my own flights to ensure that all of the logistics will go smoothly, and i will have plenty of time to arrive and ready myself to capture your event the way it deserves! events further than 3 hours from 12206 will require 2 nights of hotel accommodations. (driving 3 hours before starting to shoot is not the best way to make sure i'm fresh and ready to do my best!)
